

Town Board Meeting
Wednesday, January 13, 2021

Present: Chairman Iverson, Supervisor Bonk, Treasurer Mottram and 4 others. Supervisor Oravis and Clerk Gunderson were absent.

Chairman Iverson called meeting to order at 7:00 p.m. Minutes of December 9th meeting read. Motion B/I to approve. Financial Report – motion B/I to approve. Carried

OLD BUSINESS: Planning Commission had a meeting and identified a half dozen items to look into. They will be meeting on the 1st Wednesday of each month at 4:00 p.m.

REPORTS: None

PUBLIC COMMENTS: Tom Garnett asked if a copy of the minutes and agenda could be available at meetings. Not a problem to provide copies of the minutes, in person, at the meeting.

NEW BUSINESS: Our contract is up with Waste Management. The State report is due April 1st and we usually get information from Waste Management to complete it. Dane will find out what the procedure is.

Garage repairs – Review of bids to fix garage doors. The floor also has to be repaired as drainage is bad, the main issue being that the floor freezes. Jack will get in touch with the person who used to own CS Design to see if he would be interested in looking at it. Motion B/I to accept the bid from Ashland Lock & Key to fix the garage doors.

Ambulances – Jack attended an ambulance meeting in which the contract to remodel the Runamok building for Great Divide was awarded to Dave Cecil Builders for \$240K to begin in January and end in April. The work is to include living quarters for 6 people and several ambulances. Problem in Mason service with people not answering calls at night. Paying standby wages could help. Grand View will pay Mason approximately \$16 - \$17K and \$24K to Great Divide because of new building. Both Great Divide and Mason Ambulance service Grand View. Suggestion to put ambulance service map on website.

Motion B/I to adjourn at 7:50 p.m. Carried. Next regular board meeting Wednesday February 10, 2021 at 7:00 p.m.,

Vicki Mottram
Treasurer
