Trappers Lake Culvert – it is caving in. We need to replace. Forestry decided they needed to weigh in and we couldn't install the culvert we had wanted. They want us to get letter to at least 12 people. So far there have been no objections from these contacts. Jack with get back to Forestry with this info.

Camp 8/Old Grade – this culvert will cost about \$6,000.00. When we asked for permits Forestry decided we needed turtle barriers so now we can't put this on in until November 1st.
