OLD BUSINESS: Road clean-up went well. A big thank you to Dale for the cookout at the recycling center on the free dump day.

REPORTS: Mason Ambulance – Joe Schick received an award from the County and the State. Mason received \$20,000 from the County. Both ambulances are running well.

Beautification Committee – Susan has stepped down from being in charge of this committee.

PUBLIC COMMENTS: Marie Berweger – when they bought their place 40 years ago blacktop was a priority. They have no ditches or buffers if this is changed to gravel. Would like it to stay the way it is. Cold mix, hot mix or chip seal are some of the options per Jack. Nothing planned for now.

NEW BUSINESS: Fireworks – Dale met with Jake and there is a group from Medford that will take care of the fireworks but they want \$6,000.00. We budgeted \$5,000.00 only. Teresa will call Spielbauer to see if they have anything in mind. July 4th is on a Thursday – not sure what date the Rec. Dept. wanted.

Bandstand – needs new roof. Received a bid for \$2,300 to replace. Motion Ahlvin/Iverson to accept bid. Carried.

Playground – we need to satisfy the Bayfield County grant. This is due by June 30th. Dale will talk to Meagan. Mark went up to Superior to get timbers for sandbox.

Kubota Grant – Dale is working on.

Zoning Requests – Nama KNB LLC requests permit for short-term rental. Motion Ahlvin/Iverson to approve. Carried. Duane Stark Trust is requesting a permit to place a RV on land while building house. Motion Ahlvin/Iverson to approve for up to 3 years. Carried.

Insurance bids – received bid specs from Horton. Jack will let me know where to send.

Will have work meeting on May 15th with Bill Bailey going over solar options.

Motion to adjourn at 7:15 p.m. Carried. Next regular board meeting will be Wednesday, June 12th at 6:00 p.m.
